Request for hearing

Regarding Docket # S-20702A-09-0460

I Rebecca Dorman am requesting a hearing in response to the paper files with the Arizona Corporation Commission. I truly have no understanding of this matter. I was unaware of any wrong doing by my husband Richard Dorman until this matter came to my attention when a securities officer served me papers at my home.

I am requesting a hearing because I am being told from my husband I need to do this.

Sincerely,

Rebecca Dorman
